

VIGIL V73xx-RAID Appliances EOL Notification

VIGIL RAID Video Management Appliances: V73xx RAID EOL

Effective August 31st, 2015 3xLOGIC will no longer accept orders for VIGIL V73xx-RAID Appliances. All orders placed on or after August 31st will be evaluated against existing product inventory. If stock exists 3xLOGIC will accept the order and ship, otherwise the customer will be advised. This will affect the following part numbers:

V73xx-RAID EOL

EOL Models	Replacement Models
V7300-RAID V7308-RAID V7316-RAID	No replacement models will be offered

3xLOGIC will continue to honor the warranty on VIGIL V73xx-RAID Appliances for the term of their original warranty, and all such warranty claims will be repaired or replaced with equivalent product per the 3xLOGIC warranty statement.

Regards,

Mitch Mershon

Product Manager – VIGIL and 3xCLOUD Solutions
